

A Small Business Project: RCN MOTORS

Your small business could lower its electricity usage and costs by participating in the ComEd Energy Efficiency Program. Our qualified ComEd Energy Efficiency trade ally, BA LIGHTING, assisted RCN MOTORS every step of the way to achieve:

**1.1 year
Payback**

**\$1,043
Annual Electric
Cost Savings**

ENERGY-SAVING IMPROVEMENTS

The installed energy-saving improvements included:
» Indoor lighting equipment
